Welcome to Academic Year 2021/22

Dear Parents/Guardians,

Thank you, for considering Dar es Salaam International Academy (DIA) for your family, we look forward to getting to know you better and having you join our tight knit community.

DIA opened its doors in 2003, and this year marks our 15th year as a school. We are excited to celebrate our milestones with all of you and we continue to grow and evolve as an educational institution.

As an International Baccalaureate World School, offering all three programmes, the Primary Years, Middle Years, and Diploma, as well as being a Council of International Schools (CIS) Member; a focus on Global Citizenship, International Mindedness as well as a deep rooted connection between School, Home and Community are at the forefront of everything DIA.

Our dedication to offering high quality teaching and learning, as well as opportunities to our learners inside and outside the classroom, are evident in all aspects of school life.

At DIA, all families are important to us and make up the fabric of our identity. We believe in nurturing close relationships with students and parents/guardians and ensuring that we understand and are able to cater for all of the families that choose DIA for their children.

If you have any further questions about DIA, please feel free to contact me on sjuma@diatz.cc and I will be more than happy to assist.

Kind Regards,
